## McKinley--Kamehameha Game To Start At 3 P. M.

Double Header Featured at Alexander Field This Afternoon—College of Hawaii and Punahou Are Struggling in First Contest—Result of Second Game May Decide Test in Race for Championship—Kam Must Win Today to Keep in Race for Honors.

One of the best football attractions of the year is being staged at Alexander field this afternoon when the College of Hawaii and Punahou are battling in the first contest, which started at 1:30. In the second affray, McKinley will attempt to duplicate the victory of last Saturday when they won from Kamehameha by 3 points. The second game is scheduled to start at 3 o'clock.

The recent attitude of the Kamehameha students in changing the location of the game to Alexander field, has been favorably commented upon by a number of the football fans of the city. Naturally Kam would have had some advantage on their own gridiron, and the spirit shown by Capt. Booth and the members of the faculty will do much to raise the standard of clean sport in the city. MacCaughy Consents.

Mr. MacCaughy of McKinley High school at first opposed the idea of scheduling two games, but he readily consented to the arrangement when it was found that it would be for the best interest of the sport in the community. It is pleasing to note the attitude taken by Coach McKiff and Punahou players, and the ready consent of Dr. Peden, W. T. Alexander and Stafford Austin to lay aside any private opinions they might have in order to benefit the crowds who wished to witness the contest.

Both games should be exciting from start to finish. Punahou has a score to settle with the colleges, as the last time these two aggregations met Dr. Peden's charges romped home ahead of McKiff's men by a close margin. Hawaii will have another strong team in the field today and should stand a good chance of winning from Punahou.

The second game will, without doubt, be one of the best games scheduled this year. Kamehameha is not satisfied that they have a weaker squad than McKinley, and Capt. Booth is expected to show something startling in the offense. McKinley has been having hard practices this week, and Bill

Rosa, a former star, has been assisting the players in many new plays. The admission price will be 35 cents for both games.

The lineup of each team follows:

Kamehameha		McKinley

## He's The Captain

Bill Rosa, captain of the National Guard football team. Rosa is one of the leading football stars of the city, and has gathered together a fast aggregation of players capable of standing up against the best teams of the island. Rosa was formerly a star at McKinley high school.

## INTERMEDIATE CLUBS TO PLAY BASKET-BALL THIS EVENING AT "Y"

Tonight's Basketball. 8 p. m.—Washingtons vs. Knights of Kamehameha. XX Club vs. El Globos.

The Y. M. C. A. intermediate Basketball League will stage a double header in the association games hall at 8 o'clock this evening. The Washingtons will meet the Knights of Kamehameha in the first game, which will be a contest between Chinese and Hawaiian players. Honolulu is probably the only place in the world where these two races have or ever will meet in basketball.

The XX Club and El Globos play the second game and here it is the Anglo-Saxon against the Portuguese. The games will be sandwiched in between each other with halves alternating and there will be a continuous performance for the spectators. No admission will be charged and there will be seats for all.

At 7:30 there will be a gym class for members of the intermediate department conducted by Physical Director Glenn Jackson. Callisthenics will be featured. This follows the gym class for Service men which meets from 7 to 7:30. The Service Club, open to all enlisted men who are members of the Y. M. C. A., meets at 8:15 in Cooke hall and adjourns just before the gym class.

The P. B. C. reinforced by two or three men from the Cosmopolitan team of the senior league defeated the H. A. C. in a practice game last night by a score of 42 to 7. Werner Smith, Joe Stickney, Lorin Thurston, Ronald Higgins, Gordon Brown, Edric Cooke, Douglas MacFie and R. S. Whitcomb played for the H. A. C. while the P. B. C. used Joseph Santos, Abel Rodriguez, O. P. Soares and John Gomes for their own club and J. O'Sullivan, Ed Cannon and C. C. Ramirez from the Cosmopolitans.

## KILLEANE NO LONGER IDOL OF FIGHT FANS IN EAST

Johnny Killeane has ceased to be a drawing card. The listless exhibitions of the featherweight champion and his practice of picking pugilistic lemons, has soured the fight fans. Even in his home territory he has become unpopular and Johnny faces the alternative of fighting some one over the 20-round decision route in the very near future or losing all of his former prestige.

## KING LEAR BEANS DODGER, BUT PASSES UP THE CIGARS

King Lear, the college twirler with the Cincinnati Reds, paid a visit to a carnival show in Muncie, Ind., where they were offering three cigars to any one hitting a negro with his head through a hole in the canvas. Lear beamed the black three times and knocked him out. The King, however, refused to smoke the cigars.

## WHITE SOX NOT COMING WEST NEXT YEAR

The Chicago American League will establish a training camp in Florida next spring instead of making the annual trip to California. Ocala, a town half way between Jacksonville and Tampa, probably will be the place chosen for the camp.

## HENRY WHITE HAS HIGH SCORE FOR BOWLING SEASON

Y. M. C. A. Bowling League.				
	P.	W.	L.	Pct.
Honolulu	9	7	2	.778
Service	9	6	3	.667
Colts	9	6	3	.667
Cosmos	12	5	7	.417
P. B. C.	12	4	8	.333
Nationals	9	2	7	.222

Last night's match—Nationals 2, Cosmos 1.

Today at 1 p. m.—Hawaiian Trust Company vs. Trent Trust Company. Henry White bowled the best game of the year in a league match last evening at the Y. M. C. A. Starting with three straight strikes, then two spares, five strikes and a spare, White emerged with a 250 game, which is liable to be the record for the season.

This is seven pins better than Trent's high score of two weeks ago, and six pins over of Yaw's mark which won the high score prize last season.

The Nationals took two out of three games in the match, although they were beaten 25 pins in total pinfall. The first game was won by the Cosmos, 833 to 730. The second game showed the Nationals victorious by the same figure, although the Cosmos rolled 775. As has been the case in many matches recently, the rubber game was anybody's until the closing frame. The Nationals finished with a rush and won 824 to 814.

A curious feature of the match was the fact that the winning team score was 833 in two games and 834 in the other. White not only took high score honors, but high average as well. His mark of 190 keeps him well up in the list of high average men for the season.

Young High for Winners. For the third time A. T. Young was high average man for the Nationals, although F. J. Smith excelled him for the two games he rolled. Young averaged 165 and Smith had high score, an even 200. Ackerman and Wikander also bowled well.

An interesting match is scheduled for this afternoon at 1 o'clock between the Hawaiian and Trent Trust Companies. The Hawaiians will have William A. Roseman and Francis Franks of the regular league bowlers, with Allan Wilcox as third man. The Trent representatives will be Jack Milton, a veteran of many leagues, Elmer Crozier and R. J. Larkie. C. G. Heiser might take a hand, too, if business isn't too active on the stock exchange. Last night's figures:

Nationals.				
	1st	2nd	3rd	Total
Wikander	168	172	142	482
Dorre	141	157	141	439
Smith	157	200	357	714
Young	172	168	156	496
Ackerman	130	190	166	486
Canario	119	146	170	435

## HUMAN TOWER GOES TO NEW YORK YANKS

The tallest pitcher that ever graced the center of any diamond has signed a contract to pitch for the Yankees for the season of 1916. He is the tallest player in baseball. Reference is made to Edward H. Love, left handed pitcher, better known in baseball on the Pacific coast as "Slim" Love, who comes to the New York club via the draft route from the Los Angeles team. He is 6 feet 7 1/2 inches tall. Carl Weiman of the Browns, "Slim" Sallee of the Cardinals, and Loder-milk of the Browns will have to stand in the rear when the subject of height comes up for discussion next summer.

## TEN SPORTS FOR COLUMBIA

Ten branches of sport instead of callisthenics only will engross the attention of Columbia University students taking physical education this term. Rowing, baseball, football, soccer, basketball, track, handball, swimming and life saving, boxing and gymnastics will be taught as part of the regular required work. The new athletic policy was undertaken to aid students and build up Columbia teams.

## ST. JOHN'S CLAIMS A RECORD

St. John's Military Academy of Waukesha, Wis., made what is believed to be a national record football score against Platteville School of Mines. The final tally was 140 to 0.

Famous Yacht Designer Dead. Michael Ratsey, the veteran yacht designer, who created the first British challengers for the America's cup and likewise the schooner Cambria, which defeated James Gordon Bennett's Dauntless in the famous race from Queenstown to New York, died recently at Kingston-upon-Thames.

One of Cincinnati's office buildings is supplied with an excellent emergency hospital.

## MUCH INTEREST IN NEW YEAR'S RACE PROGRAM ON MAUI

That the races and other sporting events scheduled to come off on New Year's Day will be the most exciting ever witnessed on Maui is no exaggeration. The managers of all the plantations on Central Maui are lending a helping hand to make the meet a huge success. Men, mules, carts and trucks have been placed at the service of the promoters of the races, and the road leading to the track as well as the track itself is being put in excellent condition.

Great interest is being shown in the coming events, and many entries in the various races are steadily pouring in. In each of the two Japanese races, Nos. 5 and 9, there are already seven entries, and in the novelty race nine entries, three of which are H. A. Baldwin's Frances B. Senator B. and a third horse. Then there is Dr. Fitzgerald's Copra, Chas. Lucas' Harvest, Louis Warren's Umpqua, Kin's Silla and W. A. Clark's Edna. Fifteen contestants are expected to enter the 16th event, the roping contest. Only six calves will be let loose at one time, so as to prevent a mixup. The foot race and fat man's race promise to be extremely exciting, and it is claimed several well known citizens, both lean and fat, are quietly preparing themselves for the contests by judicious training.—Maui Weekly Times.

## NEW ONE BY MUGGSY.

This is the latest story they tell on Jawn McGraw, concerning his unsuccessful efforts to secure John Reilly, star third baseman for Yale, as third sacker for the Giants:

"I'll give you a job at \$5000 a year to play for my team," said Jawn to John.

"Kind air," said John to Jawn. "I cannot accept because I am going to take a job in the New York subway at 20 cents an hour."

"But, my boy," said Jawn to John, "if you work ten hours a day every day in the year you'll get only about \$750 from the subway job. I offer you \$5000 to work two hours a day for six months."

"But I want to work underground," objected Reilly.

"I'm offering you a cellar job—I'm asking you to play with the Giants, ain't I?" Jawn is quoted as answering.

## O'BRIEN COACHING CORNELL

J. E. O'Brien, former Cornell oarsman, is directing the work of seven Cornell varsity eight, while John Scobie is looking after the training of 106 freshmen. Coach Charles E. Courtney is expected to take charge of the candidates early next year. He is slowly recovering from the effects of his fall and an injury to his head at Poughkeepsie last June.

## Many Stars To Play On National Guard Squad

Manager Fred Wichman and Captain Bill Rosa Have Gathered Together Many Players of Note—Preliminary Scrimmages Show Strength in All Departments of Game—Games to Be Scheduled With Best Teams in Oahu—Guard Team Makes Good Showing Against Punahou in Practice

Another aggregation of football artists has appeared. And glancing over the list of candidates it looks to be one of the best aggregations gathered together in some time. The National Guard has been proficient in a number of sports and now they have turned their attention to the gridiron game. In the workouts to date a number of men have turned out for practice and the first games of the year will be staged next week.

Fred Wichman, the manager, is anxious to schedule games with strong teams in Oahu and any organization desiring contests may communicate with him. The playing end of the team is in charge of Bill Rosa, one of Honolulu's leading football stars. Rosa has had the men out on the field throughout the past two weeks and the team has proved to be active in learning the game from every angle. Stone Wall Line.

Forward pass work and interference have been featured and the players have been able to lose the pigskin from every angle in the preliminary workouts. The line is a stone wall on defense, and although the first few workouts did not show anything startling on a charging offense, it is expected that this will be worn off before the initial contest.

Members of the National Guard have always been active in backing their teams and it is expected that banner crowds will turn out to the games when the eleven gets in action. Manager Wichman has communicated with teams from Port Shafter, Schofield Barracks and other posts around the islands, and it is expected that by next week he will be able to announce a schedule for the coming games.

A glance at the line shows a number of players who have made good on the local gridiron. At center O'Dowda, a former Punahou star, will

take care of the snapper back job. Bill Inman, who was a tower of strength to Punahou, will be stationed at one guard, and Carter, an ex-McKinley hero, will play in other guard. Moore, a former Punahou and Town Team player, will take care of one tackle with Parker at the other position.

Dr. Peden at Quarter. At the wing positions Rosa will have two players who have been playing real games this year with the College of Hawaii. It is expected that the two stars will play with the Guard team as soon as the league schedule is completed. Stafford Austin and Gordon Brown will be the end representatives. At quarter Dr. Peden, coach of the College of Hawaii and a former Pennsylvania star, will run the team. Peden has displayed a lot of good football ability this year and should get a bunch of "pep" into the contests.

In the backfield Bill Rosa, one of the leading football players of the city and a former star at McKinley, will be back in harness, and with the other stars should make it interesting for any team on the island. Lionel Brash of the Hawaii team, and one of the best men in throwing the forward pass in the city, will also work in at half back. Hart, a member of the Town Team who made a good record, and Ah Mong, ex Kamehameha player, will be stationed back of the line.

In the practice game with Punahou on Thursday the Guard boys plunged through the Pun line time and time again and the work although ragged for the first real test proved that the team is bound to be one of the best in Oahu. There are a number of good teams in the posts and it is expected that Manager Wichman will schedule a number of games for the rest of the season. The team has plenty of stars and should be an excellent drawing card.

## HONOLULU YACHT CLUB TO GIVE BENEFIT DANCE AT WAIKIKI TONIGHT

There will be a benefit dance this evening at the Outrigger Club, given by the Honolulu Yacht Club, to raise funds for the purchase of a six-oared sliding seat barge to replace the barge Punene which was wrecked in the regatta races. The Honolulu Yacht Club has always taken a deep interest in aquatic sports and the members of the club and the many friends are expected to be in attendance this evening.

## WILLARD DOES NOT FAVOR SHORT BOUT

Frank Moran, through his decisive defeat of Jim Coffey, has crowded a bit nearer to a bout with Jess Willard. That the title holder will agree to meet Moran in a 10-round battle with or without decision is quite unlikely. Willard by no stretch of imagination can be termed a whirlwind fighter. In order to win on points or knockout inside 10 rounds the conqueror of Johnson would have to travel at a pace far in excess of anything he has shown to date.

In a 20 or 25-round contest Willard would be in a position to wear down his opponent in the slow, deliberate manner characteristic of his fighting methods. Some idea of Moran's ability over a distance route can be gathered from the fact that he fought 20 rounds with Jack Johnson in Paris on July 4, 1914. Although he lost the decision on points, the same would have been true of Willard had his battle with Johnson in Havana last April been limited to a similar number of rounds.

## SIGNAL HONOR FOR LOCAL BOY AT LEHIGH

Alfred Yap, son of Mr. William Yap Kwai Fong of the Bank of Hawaii, has been elected captain of the freshman baseball team of Lehigh university. Mr. Yap entered the university after completing the tour with the Chinese baseball team. His election to the position of leader of the baseball forces of his class is a distinct honor and he is probably the first American of Chinese blood to hold a university captaincy the first year in college.

## JAKE DAUBERT BEATEN FOR BROOKLYN ALDERMAN

Complete count of the vote in the 59th Aldermanic district in Brooklyn showed that John (Jake) P. Daubert, captain and first baseman of the Brooklyn National League baseball Club, had been defeated by A. L. Squires, his Republican opponent, by 1560 votes. Daubert, who was the Democratic-Independent League candidate, did not take an active part in the campaign.

By a vote of 25 to 8, the Australian assembly defeated a motion proposing elective ministries.

## What healthy Nerves Mean to You

A strong, vigorous nervous system means health, strength and ability to endure hardship and also to enjoy the full pleasures of life.

The man with healthy nerves accomplishes greater tasks with less fatigue. He has a clear eye, an active brain and a sound body. He is enabled to think better and work faster. He has energy. With healthy nerves he can overcome the hardest competition, be successful and gain wealth.

The woman with healthy nerves is never listless, weak or hopeless; she is not irritable, she never suffers from hysteria, she has a reserved surplus of endurance. Healthy nerves will prevent the sleepless mother, although worn with care and nursing, from a "break down" caused by her double or treble duty.

All men and women who suffer from these forms of nervousness—known as Neurasthenia—who have "gone to pieces," who lack energy, who have insomnia, who have succumbed to nervous prostration or nervous exhaustion, either mental or physical, whose condition is one of irritable weakness, will find ready relief and cure in the peculiar properties of

## BIG LEAGUE RECORDS SHOW STRANGE FIGURES

(By Associated Press.)

NEW YORK, N. Y.—The records made by the major league clubs in runs, hits, errors and men left on the bases for the season just closed furnish data for interesting study. In the National League, the Philadelphia club which won the pennant made next to the largest number of runs with the smallest total of hits. The Phillies also had fewer men left on bases than any other club and made next to the least number of errors. The Boston Braves were third in run making, seventh in hitting, first in number of stranded runners and made less errors than any of their rivals. St. Louis made the greatest number of runs; Cincinnati led in hits, Chicago in errors and Boston in runners left.

He ranked fourth in the national list of players last year and won the New England and Metropolitan championships.

## WILSON TO SEE ARMY-NAVY GAME.

WASHINGTON, D. C., Nov. 13.—President Wilson yesterday accepted the invitation to be present when the Army, as represented by the West Pointers, and the Navy representatives from Annapolis meet on the gridiron for football honors in New York on November 27.

## CLEVELAND IS NATIVE CITY OF FRANK MORAN

Frank Moran, who will likely be the next heavy-weight to meet Jess Willard, is not a native of Pittsburg after all.

"I was born at Lake and Alabama avenues, Cleveland, Ohio, March 18, 1887," says Moran. "I went to Pittsburg in 1892 and have lived there most of the time. I was in the navy four years. My parents are Irish. My father was born in County Mayo and my mother at Cashel, Tipperary."

## Veteran Cricket Player Dead.

Dr. William Gilbert Grace, the famous cricketer, is dead. He was 67 years old. Dr. Grace played on English cricket teams against Australian cricketers for many years continuously. He also wrote on this sport, among his publications being "Cricketing Reminiscences and Personal Recollections."
